

## **‘Laudato Si’ and the Leeds Diocese Conference: 07 November 2015**

### **Summary of individual actions pledged by individuals at the conference**

*Some ideas for action were taken up by a number of people – this summary only includes one occurrence of each pledge*

**At home I will  
turn off more  
lights**

**Have 3 days a  
week meat -free  
and car-free!**

**Switch to a  
green energy  
supplier**

**Hold a walk to  
church Sunday in  
my Parish**

**Use leftover  
food in another  
meal**

**Stop running  
taps**

**Wear heavier  
clothing and  
reduce central  
heating**

**Think carefully  
about where I buy  
my food and who is  
producing it, what I  
am eating and when**

**Install solar panels  
on my house**

**Look at Kiva  
loans - to make  
a contribution**

**Monitor our (my)  
personal waste for  
one week**

**Plant a tree in  
the primary  
school**

**Amend travel  
arrangements -  
local and longer  
distance**

**Use less fuel at  
home and in the  
car**

**support locally  
produced food**

**Forward 38  
degrees stuff on  
TTIP to 5 people**

**On the care of our common home**

**Walk more ride less**

**Learn more about what is meant by sustainability and renewable energy**

**As a parish, discuss how we could work together to reduce food wastage**

**Share this information with the young**

**Consider my global footprint more**

**pray the laudato si prayer**

**Promote the J&P Laudato Si Prayer card**

**Distribute literature to friends, church members etc**

**try to be optimistic and realise more that influence must be public and political**

**push study materials**

**Share the Evan Fraser video on Facebook**

**Put quotes from Laudato Si on parish bulletins**

**Ask parish about using green energy supplier-even if more expensive**

**organise parish/group meeting-using study guide**

**Encourage parish to send climate change postcards**

**support parish event in December**

Sign up to receive  
'Vocation for  
Justice' from the  
Columban JPIC  
tream

Talk to parish  
Justice and Peace  
group about this  
conference

Contact my MP -  
has he read  
Laudato Si?

Try to influence  
acquaintances and  
friends and not be  
afraid to speak out

Join a Global Justice  
Now campaign

Contact pension  
providers (about  
fossil fuel  
companies)

Write email to  
Minister for  
Energy

Use tumble drier  
less often

Learn more  
about it - ref to  
Prof Andy  
Challinor

Continue to  
lobby my MP  
(already a  
correspondent)

Go to Paris in  
December as  
planned!

Lobby for an increase  
in fuel tax to  
discourage  
unnecessary driving  
and use the funds to  
promote sustainable  
energy research

I will write to  
supermarkets  
about food waste  
and support e-  
campaigns on this  
subject

discuss with family

Attend London  
Climate Change  
rally and let  
people know  
why!

Find out about  
City Council's  
climate group
